HOLYWANDERER

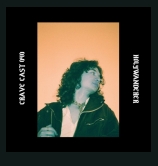

INDIE DANCE / ELECTRO / DARK DISCO / ITALO / EBM

Photograph by Yanekulbaba / HARMAN AZURE 125

HOLYWANDERER is a Berlin-based DJ and co-founder of HOLYBERG. His sets centre on indie dance, drawing on electro, dark disco, Italo and EBM. His current focus is on spacious textures, rounded basslines and a softer, more enveloping sound. He moves between warm, melodic passages and darker, physical grooves, letting tension build gradually. His recordings span solo sessions and back-to-back sets with his twin brother Heshumi.

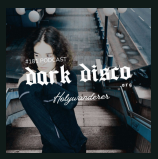

SELECTED MIXES

CRAVE CAST 040

Crave Tapes · Oct 2026 | 53:37

Slow-burning tension, hypnotic grooves and a harder electro finish.

DARK DISCO #181

Darkdisco.org · Apr 2026 | 68:18

EBM, darkwave and new beat, opening into a melodic close.

DISCO SUICIDE 156

Disco Suicide · May 2026 | 55:38

B2B with Heshumi. Indie dance, dark disco, EBM and acid.
